

Supertramp - Hide in Your Shell

Hide - in your shell, unisono
'cause the world - is out - to bleed - you for - a ride
What will you gain,
making your life a little longer?
Heaven or hell,
was the jour- ney cold - that gave - you eyes - of steel?
Shelter behind painting your mind and playing joker

1,2h,3h:	Too frightening Too beautiful You're waiting for	2l, 3l:	to listen to a stranger to put your pride in danger someone to understand you
1+2+3h:	You've got demons in your closet And you're screaming out to stop it Saying life's begun to cheat you Friends are out to beat you Grab on to what you can scramble for	3l:	(you've got demons in your closet) (and you're screaming out to stop it)
2:	Don't let the tears linger on inside now 'Cause it's sure time you gained control	1: oe -> 3:	hohohohohohoho
3:	Help you, if I can help you If I can help you, just let me know	1: oe -> 3:	hohohohohohoho
		1,2:	help you, 3x just let me know
2:	Well let me show you the nearest signpost To get your heart back and on the road	1: oe -> 3:	hohohohohohoho
3:	Help you, if I can help you If I can help you, just let me kno--ow	1: oe -> 3:	hohohohohohoho
		1,2:	help you, 3x just let me kno--ow

All through the night unisono
as you lie - awake - and hold - yourself - so tight
What do you need,
a second hand movie star to tend you?
I - as a boy, I believed - the saying - the cure - for pain - was love
How would it be if you could see the world through my eyes?
