

## Something in the water – Pockey LaFarge

*groepje:*

She got a broke down El Camino, in the front yard up on blocks  
Her mom walks around in a pink nightgown, sandals and white socks  
She don't mind a baseball game in the middle of the lightning and the rain  
She's a pain in my brain, drives me insane  
But I love her just the same, boys, love her just the same

### Refrein 1:

Something in the water	1,2,3	something in the water
Something in the water	1,2,3	something in the water
Ooh-ooh-ooh-ooh	1,2,3	oe,oe,oe,oe
What makes her crazy I don't know	1,2,3	aah,aah,aah,aah
Never seen anything like her before		
There <u>must be something in the water</u>	1,2,3	

*groepje:*

She does her makeup and hair-to cook fried chicken in her underwear  
She drinks malt liquor for lunch and dinner and sends me running scared  
She yells, she screams and she beats me  
But I don't mind the way she treats me  
She'll someday lead to my death I know  
But I'll stay with her just the same, boys, stay with her just the same
