

Sowing the seeds of love (met lead)

High time we made a stand and shook up the views of the common man
And lovetrain rides from coast to coast
D.J.'s the man we love the most
Could you be, could you be squeaky clean
And smash any hope of democracy?
As the headline says you're free to choose
There's egg on your face and mud on your shoes
One of these days they're gonna call it the blues, yeah

Sowing the seeds of love	1+2, 3

I spy tears in their eyes
They look to the skies for some kind of divine intervention
Food goes to waste _____ unisono
So nice to eat, so nice to taste
Politician granny with your high ideals
Have you no idea how the majority feels?
So without love and a promise land
We're fools to the rules of a government plan
Kick out the style
Bring back the jam!
