

**Eternity** (Alex Warren)

(met lead)

Hear the clock ticking on the wall  
Losing sleep losing track of the tears I cry  
Every drop is a waterfall  
Every breath is a break in the riptide  
Oh, how long, has it been, I  
don't know, but it

Feels like an eternity  
Since I had you here with me  
Since I had to learn to be  
Someone you don't know

To be with you in paradise

2l,3 1,2h: paradise

What I wouldn't sacrifice

2h,2l,3 1: sacrifice

Why'd you have to chase the light

2h,2l,3 1: chase the light

Somewhere I can't go

1,2h,2l,3

As I walk this world alone

2l, 1: lone → 2h: lo – one

As I walk this world alone

2l,3 1: lone → 2h: lo – one

Another glimpse of what could've been  
Another dream another way that it never was  
Falling back in the wilderness  
Waking up rubbing salt in the cut  
Oh, how long, has it been, I  
don't know, but it

3 → 1,2h: oe, oe

2l → 1,2h: oe, oe, oe

Feels like an eternity  
Since I had you here with me

uni (zacht)

Since I had to learn to be

Someone you don't know

To be with you in paradise

2l,3 1,2h: paradise

What I wouldn't sacrifice

2h,2l,3 1: sacrifice

Why'd you have to chase the light

2h,2l,3 1: chase the light

Somewhere I can't go

1,2h,2l,3

As I walk this world alone  
alone

2l, 1: lone alone → 2h: lo – one

As I walk this world alone  
alone

2l,3 1: lone alone → 2h: lo – one

It's an endless night  
It's a starless sky  
It's a hell that I call home  
It's a long goodbye

2l (lead)

→1,2h hell that I call ho-o-ome

2l,3 (lead)

On the other side  
Of the only life I know  
And it feels like an eternity  
Since I had you here with me

Since I had to learn to be  
Someone you don't know

To be with you in paradise

What I wouldn't sacrifice

Why'd you have to chase the light

Somewhere I can't go

As I walk this world alone

As I walk this world alone
